A Board Meeting was held on May 2, 2019 and the minutes from the March Meeting were approved as written. However approval of the treasury report was tabled pending review by all Board members.

The Board will be working on a 'Master Book' which will contain important documents, passwords, codes, and inventory.

Thanks to Pam Gray, the DDC Trailer will now be safer and easier to access with a hold back for the door and sliding steps.

The Club has replenished their imprinted clothing (shirts and sweatshirts) with some larger sizes. Hats and pins are also available. Contact Pam Gray at 410-819-6113 if you would like to purchase items.

Plans for drives and clinics are being made for June thru August. The Delaware Equine Council will again hold their Membership Appreciation Ride and Drive on September 29th at Redden Forest. If you would like to host a drive or event, please contact any Board Member. Use your Driving Club Roster to hold impromptu drives with other members!

12th Annual Pleasure Driving Show a Success!!

The weather finally cooperated and it was a beautiful day for the Pleasure Driving Show held at the Caroline County 4-H Park in Denton, Maryland. There were seventeen (17) unique entries—from a novice with three weeks of training to a three (3) abreast hitch of VSE's (very small equines). Spectators were able to watch two rings of classes, one ring where classes were judged on performance and quality of the horse and driver while the other ring sported the timed classes. A cross country course was set up around the perimeter of the grounds. There were wonderful comments made about the classes, the grounds, the competitors, the volunteers, and the Judge, Kail Palmer-Miller. This event drew a lot of member participation—there were thirteen (13) members who drove/rode on carriages, fifteen (15) members who volunteered, two (2) members who were vendors, and four (4) members who came to spectate. Congratulations to all the participants and thank you so much to all the volunteers who made the show happen.

Attention!!
